Verse 2

Take me to the place where you go
Where nobody knows, if it's night or day
Please don't put your life in the hands
of a rock and roll band, who'll throw it
all away

Pre-Chorus

Gonna start a revolution from my bed
Cos you said the brains I had went to my
head
Step outside, the summertime's in bloom
Stand up beside the fireplace
Take that look from of your face
Cos you ain't never gonna burn my heart out

Chorus again:

So sally can wait, she knows it's too late
as she's waiking on by
Her soul slides away, but don't look back in
anger
I heard you say Am- G
